Nobles,

As many of you know, I have been a Shriner since 2007. As I ended my second year as Master of the Lodge, I decided to get more involved with the other organizations Freemasonry had to offer. As a result, I was offered the position of Secretary of the Orange Belt Shrine Club following the great Lee Fogle. Honestly, I had no idea what I was doing because I had not participated much at the Shrine.

In February, Kamri and I had to opportunity to attend the Potentate's Gala; this being my first real Shrine event I was not sure what to expect. Nobles came from all over California to enjoy the food, entertainment, and fellowship. What an exciting time!

I had the opportunity to meet both past and present leaders of this organization. I used this as an opportunity to learn how the organization functions, understand the responsibilities of the Divan, how they promoted to those positions, learned more about encouraging masons to be interested in the Shine, and also learned what is expected of our Shrine Club. Overall, it was a great experience and I am thankful to those Nobles who answered my questions. This night reaffirmed why I became a Shriner.

As a reminder the Orange Belt POV was cancelled due to unforeseen circumstances. Also, there is a Hillbilly Degree in San Fernando on March 26.

 See you at the next meeting,

Dustin Murphy
